S.B. No. 644

A BILL TO BE ENTITLED

AN ACT

1
2 relating to authorization by the Texas Higher Education
3 Coordinating Board for certain public junior colleges to offer
4 baccalaureate degree programs.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Section 130.0012, Education Code, is amended by
7 amending Subsections (a), (b), (e), (g), and (h) and adding
8 Subsection (g-1) to read as follows:

9 (a) The Texas Higher Education Coordinating Board may
10 [~~shall~~] authorize public junior colleges to offer baccalaureate
11 degree programs in the fields of applied science, [~~and~~] applied
12 technology, early childhood education, and nursing under this
13 section. Offering a baccalaureate degree program under this
14 section does not otherwise alter the role and mission of a public
15 junior college.

16 (b) The coordinating board:

17 (1) shall authorize baccalaureate degree programs in
18 the fields of applied science and applied technology at each public
19 junior college that previously participated in a pilot project to
20 offer baccalaureate degree programs; and

21 (2) may authorize baccalaureate degree programs at one
22 or more public junior colleges that offer a degree program in the
23 fields of applied science, applied technology, early childhood
24 education, or nursing and have demonstrated a workforce need.

1 (e) In determining what baccalaureate degree programs are
2 to be offered, the coordinating board shall:

3 (1) apply the same criteria and standards the
4 coordinating board uses to approve baccalaureate degree programs at
5 general academic teaching institutions; and

6 (2) consider the following factors:

7 (A) [~~1~~] the workforce need for the degree
8 programs in the region served by the junior college;

9 (B) [~~2~~] how those degree programs would
10 complement the other programs and course offerings of the junior
11 college and whether the associate degree program offered by the
12 junior college in the same field has been successful;

13 (C) [~~3~~] whether those degree programs would
14 unnecessarily duplicate the degree programs offered by other
15 institutions of higher education; ~~and~~

16 (D) [~~4~~] the ability of the junior college to
17 support the program with student enrollment and the adequacy of the
18 junior college's facilities, faculty, administration, libraries,
19 and other resources; and

20 (E) whether the junior college meets the taxable
21 property valuation amount established in Section 130.032.

22 (g) Except as provided by Subsection (g-1), a degree program
23 created under this section may be funded solely by a public junior
24 college's proportionate share of state appropriations under
25 Section 130.003, local funds, and private sources. This subsection
26 does not require the legislature to appropriate state funds to
27 support a degree program created under this section.

1 (g-1) Notwithstanding Subsection (g), in ~~[In]~~ its
2 recommendations to the legislature relating to state funding for
3 public junior colleges, the coordinating board shall recommend that
4 a public junior college that previously participated in a pilot
5 project to offer baccalaureate degree programs receive
6 substantially the same state support for junior-level and
7 senior-level courses in the fields of applied science and applied
8 technology offered under this section as that provided to a general
9 academic teaching institution for substantially similar courses.
10 For purposes of this subsection, in ~~[In]~~ determining the contact
11 hours attributable to students enrolled in a junior-level or
12 senior-level course in the field of applied science or applied
13 technology offered under this section used to determine a public
14 junior college's proportionate share of state appropriations under
15 Section 130.003, the coordinating board shall weigh those contact
16 hours as necessary to provide the junior college the appropriate
17 level of state support to the extent state funds for those courses
18 are included in the appropriations. This subsection does not
19 prohibit the legislature from directly appropriating state funds to
20 support junior-level and senior-level courses to which this
21 subsection applies ~~[offered under this section]~~.

22 (h) Each biennium, each ~~[Each]~~ public junior college
23 offering a baccalaureate degree program under this section shall
24 conduct a review of each baccalaureate degree program offered and
25 prepare a ~~[biennial]~~ report on the operation, quality, and
26 effectiveness of those ~~[the junior college's baccalaureate]~~ degree
27 programs. A ~~[and shall deliver a]~~ copy of the report shall be

1 delivered to the coordinating board in the form and at the time
2 determined by the coordinating board.

3 SECTION 2. This Act takes effect immediately if it receives
4 a vote of two-thirds of all the members elected to each house, as
5 provided by Section 39, Article III, Texas Constitution. If this
6 Act does not receive the vote necessary for immediate effect, this
7 Act takes effect September 1, 2017.
